

# HAVE YOU HEARD OF A.L.I.C.E.?

ALICE stands for Asset Limited, Income Constrained, Employed.

Despite working hard to make ends meet, almost half of all local households are making tough choices between paying rent, buying food, filling a prescription, or putting gas in their car. One unexpected event like an accident, a medical bill, or a reduction in work hours can result in disaster.

United Way works closely with various community stakeholders, including nonprofits, businesses, and government agencies, to build comprehensive solutions for the challenges faced by ALICE households. Your partnership can create a network of support and coordinate efforts effectively. Together, United Way of Southeastern Idaho creates the connection so we can *Team Up for A.L.I.C.E.* and create a brighter future for all members of our community.
