

EXPANDING THE **READ TALK PLAY** PROGRAM

ReadTalkPlay
EVERY DAY

UNITED WAY OF SOUTHEASTERN IDAHO IS EXPANDING READ TALK PLAY: A SUCCESSFUL INITIATIVE THAT ENCOURAGES PARENTS TO **READ, TALK AND PLAY** WITH THEIR CHILDREN EVERY DAY.

With the instructions in the name, Read Talk Play empowers parents to help their children develop communication skills, relational skills, emotional skills and the vocabulary to be successful in school and – most importantly – in life.

Our goal: Provide opportunities and resources for parents to create fun and intentional learning experiences for their children every day through reading, talking and playing.
